Part 2 – Representation

Please complete this part (Part 2) of the form separately for each separate representation you wish to make.

You can find an explanation of the terms used below in the accompanying guidance on making representations.

2(a) State which Proposed Main Modification you are making a representation about

Proposed Main Modification No.
(and part or policy no. or
paragraph if relevant)

MM47 (Policy W3, paragraph 5.33) and MM48 (Policy W3, paragraph 5.34)
--

2(b) Do you consider the Oxfordshire Minerals and Waste Local Plan Core Strategy incorporating the Proposed Main Modifications is: (tick as appropriate)

- (i) Legally compliant? Yes No
- (ii) Sound? Yes No

If you have answered **No** to question 2(b)(ii), please continue to question 2(c). In all other cases, please go to question 2(d).

2(c) Do you consider the Oxfordshire Minerals and Waste Core Strategy incorporating the Proposed Main Modifications is unsound because it is not: (tick as appropriate)

- (i) Positively prepared
- (ii) Justified
- (iii) Effective
- (iv) Consistent with national policy

On the following pages, please set out why you think the Minerals and Waste Local Plan Core Strategy incorporating the Proposed Main Modifications is legally non-compliant and/or unsound and any changes you are suggesting should be made to it that would make it legally compliant or sound.

Please note your representation should include as succinctly as possible all the information and evidence necessary to support/justify the representation and the suggested change, as there will not normally be a subsequent opportunity to make further representations based on your representation at this stage.

2(d) Please give details of why you consider the Oxfordshire Minerals and Waste Local Plan Core Strategy incorporating the Proposed Main Modifications is not legally compliant or is unsound. Please be as precise as possible.

If you agree that the Oxfordshire Minerals and Waste Local Plan Core Strategy incorporating the Proposed Main Modifications is legally compliant and/or sound and wish to support this, please also use this box to set out your comments.

National Planning Policy for Waste states that areas outside the Green Belt should be sought for waste management facilities and that such facilities within the Green Belt would be inappropriate development.

Nonetheless, this protection of the Green Belt has been removed in the proposed modifications document, on the basis that Policy C12 states that there can be "very special circumstances" in which such facilities can be acceptable within the Green Belt.

We would disagree that very special circumstances exist that would justify the removal of this protection in respect of the Green Belt, which plays a vital part in maintaining the setting of Oxford. In our view both mineral and waste developments have the potential to cause significant harm to this setting.

2(e) Please set out the changes(s) you consider necessary to make the Oxfordshire Minerals and Waste Local Plan Core Strategy incorporating the Proposed Main Modifications legally compliant or sound, having regard to the reason you have identified at 2(c) above where this relates to soundness. You should say why this change will make the Core Strategy legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

We would like to see Policy W3 paragraph 5.33 amended to reinstate the phrase "avoiding the Oxford Green Belt" and paragraph 5.34 amended to reinstate the phrase "Locations in the Oxford Green Belt should be avoided".
