

Budget and Policy Framework Procedure Rules

(1) The Framework for Cabinet Decisions

The Council will be responsible for the approval or adoption of its Budget and of each plan and/or strategy comprised in the policy framework. Once a budget, plan or strategy is in place, it will be the responsibility of the Cabinet to implement it.

(2) Process for Developing the Framework

The process by which the budget and each plan and/or strategy comprised in the policy framework shall be developed is as follows:

- (a) The Cabinet will prepare proposals for the budget, plan or strategy in hand in accordance with a timetable which has regard to the steps which will be required to be undertaken in relation to that budget, plan or strategy and the date by which it must have been approved or adopted in accordance with the law, ministerial direction, government guidance or other relevant requirement.
- (b) In preparing the proposals the Cabinet will canvass the views of members of the public, local stakeholders and others as appropriate and in a manner suitable to the budget, plan or strategy under consideration. Any representations made to the Cabinet shall be taken into account in formulating the proposals, and shall be reflected in any report dealing with them. If the matter is one where a Scrutiny Committee has previously carried out a review of policy, then the outcome of that review will be taken into account in the preparation of the proposals.
- (c) Before the Cabinet finalises its proposals for submission to the Council, the Performance Scrutiny Committee shall be invited to consider and advise the Cabinet on the formulation of the proposals. For this purpose the Proper Officer will place an appropriate item, with such draft proposals and other supporting information as may be available, on the agenda of the Performance Scrutiny Committee. The Scrutiny Committee may canvass the views of any person or persons, if it considers it appropriate to do so having regard to the need not to duplicate any consultation carried out by the Cabinet.
- (d) The Proper Officer will ensure that the Scrutiny Committee is given the opportunity in time, and with sufficient information, to consider the item and report to the Cabinet on the outcome of its deliberations before the date specified in the Forward Plan on which the Cabinet expects to finalise its proposals for submission to the Council.

- (e) The Cabinet shall take into account any recommendations from the Scrutiny Committee in finalising its proposals for submission to the Council for consideration. In submitting the proposals the Cabinet will report to the Council on how it has taken into account any recommendations from the Scrutiny Committee.
- (f) Subject to paragraphs (g) to (o) below¹, the Council, having considered the proposals of the Cabinet, may adopt them, amend them, refer them back to the Cabinet for further consideration, or substitute its own proposals in their place. In considering the matter, the Council shall have before it the Cabinet's proposals and any report from the Performance Scrutiny Committee.

- (g) Where the Council has any objections to a draft plan or strategy submitted to it by the Cabinet, before the Authority –
 - (i) amends the draft plan or strategy;

- (b) If any body or person discharging functions wishes to make a decision which may be contrary to or not wholly in accordance with the budget or policy framework as approved by the Council, they or s/he shall take advice from the Monitoring Officer and/or the Chief Finance Officer. If the advice of either of those officers is that the decision would not be in accordance with the existing budget and/or policy framework, then the decision must be referred by that body or person to the Council for decision, unless the decision is a matter of urgency, in which case the provisions in paragraph 5 shall apply.

(5) Urgent Decisions Outside the Budget or Policy Framework

- (b) In respect of functions which are the responsibility of the Cabinet, the Monitoring Officer's report and/or Chief Finance Officer's report shall be sent to the Cabinet with a copy to every member of the Council. Regardless of whether the decision is delegated or not, the Cabinet must meet to decide what action to take in respect of the Monitoring Officer's report and to prepare a report to Council in the event that the Monitoring Officer or the Chief Finance Officer conclude that the decision was a departure, and to the Performance Scrutiny Committee if the Monitoring Officer or the Chief Finance Officer conclude that the decision was not a departure.
- (c) If the decision has yet to be made, or has been made but not yet implemented, and the advice from the Monitoring Officer and/or the Chief Finance Officer is that the decision is or would be contrary to or not wholly in accordance with the budget or policy framework as approved by the Council, the Performance Scrutiny Committee may refer the matter to Council. In such cases, no further action will be taken in respect of the decision or its implementation until the Council has met and considered a report of the decision or proposals and the advice of the Monitoring Officer and/or the Chief Finance Officer.
