

Oxfordshire Safe Places Scheme aims to help vulnerable children and adults feel confident and safe when out and about

What is the Safe Places Scheme?

Everybody should be able to go out in their own community and feel safe.

The **Safe Places** scheme can help if you feel scared or confused, or if someone upsets you, when you are out.

There are lots of places you can go if you need help which are **Safe Places**

Where can I go if I don't feel safe?

You can go anywhere that has the **Safe Place** sticker in the window.

The **Safe Place** will make you feel comfortable and phone someone you know to come and help you. You can have a contact card with their number on

Or they could call the Police on **101**. If it is an emergency, the Police can be called on 999

All the **Safe Places** have this logo in their window

There are Safe Places schemes in Wantage, Didcot, Banbury and Witney .
