Subject: Council's Consultation on Proposed Main Modifications to the Oxfordshire Minerals and Waste Local Plan: Part 1 - Core Strategy and Sustainability Appraisal Report Update.

Dear Mr Day,

The Parish of Grafton and Radcot strongly wish to support Oxfordshire County Council for the exclusion of excavation of sand and gravel in the Clanfield/ Bampton area.

100 lorries a day would cause major problems with bridge weight restrictions and very narrow roads in our area.

Another major concern is the number of staff needed to operate the pits. These people will be travelling to work, the majority using our already very busy single track roads. This would have a huge impact on the residents in our small hamlets.

Yours sincerely,

Sandra Eddolls
Clerk to the Grafton and Radcot Parish Meeting.
