Part 2 – Representation

Please complete this part (Part 2) of the form separately for each separate representation you wish to make.

You can find an explanation of the terms used below in the accompanying guidance on making representations.

2(a) State which part of the Oxfordshire Minerals and Waste Local Plan Core Strategy you are making a representation about

Part or policy no. or paragraph

Section 4 Minerals Planning Strategy

2(b) Do you consider the Oxfordshire Minerals and Waste Local Plan Core Strategy is: (tick as appropriate)

- | | | |
|------------------------|------------------------------|--|
| (i) Legally compliant? | <input type="checkbox"/> Yes | <input checked="" type="checkbox"/> No |
| (ii) Sound? | <input type="checkbox"/> Yes | <input checked="" type="checkbox"/> No |

If you have answered **No** to question 2(b)(ii), please continue to question 2(c). In all other cases, please go to question 2(d).

2(c) Do you consider the Oxfordshire Minerals and Waste Core Strategy is **unsound because it is not**: (tick as appropriate)

- | | |
|--------------------------------------|-------------------------------------|
| (i) Positively prepared | <input checked="" type="checkbox"/> |
| (ii) Justified | <input checked="" type="checkbox"/> |
| (iii) Effective | <input checked="" type="checkbox"/> |
| (iv) Consistent with national policy | <input checked="" type="checkbox"/> |

On the following pages, please set out why you think the Minerals and Waste Local Plan Core Strategy is legally non-compliant and/or unsound and any changes you are suggesting should be made to it that would make it legally compliant or sound.

Please note your representation should include as succinctly as possible all the information and evidence necessary to support/justify the representation and the suggested change, as there will not normally be a subsequent opportunity to make further representations based on your representation at this stage. After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

2(d) Please give details of why you consider the Oxfordshire Minerals and Waste Local Plan Core Strategy is not legally compliant or is unsound. Please be as precise as possible.

If you agree that the Oxfordshire Minerals and Waste Local Plan Core Strategy is legally compliant and/or sound and wish to support this, please also use this box to set out your comments.

I have considered the report dated 21 September 2015 by Gardner Planning Ltd on behalf of OXAGE and fully support the opinions and arguments set out in that report.

I do not accept the basis used by OCC in the Strategy document for arriving at the Local Aggregate Assessment (LAA) and consider that it is substantially overstated. I consider that the LAA should be based on the 10 year average of mineral sales, the method previously accepted by OCC. The change of method has not justified or explained.

Had the previous method of assessing LAA been used there would be no need for new gravel extraction sites for many years.

I do not agree with the implication that the preferred new working areas would be in South Oxfordshire (paragraph 4.31 etc) when there appears to be no evidence to support this. As the Strategy document itself suggests that the site selection process has not been carried out these comments are not only premature but indicate that OCC has made up its mind without the need for proper review. Such paragraphs in the report should be deleted.

2(e) Please set out the changes(s) you consider necessary to make the Oxfordshire Minerals and Waste Local Plan Core Strategy legally compliant or sound, having regard to the reason you have identified at 2(c) above where this relates to soundness. You should say why this change will make the Core Strategy legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

See comments under 2(d).
