Dear Sir/Madam,

**Re: Oxfordshire Minerals and Waste Core Strategy – Consultation on Additional Documents**

We have produced a number of additional documents in support of the Minerals and Waste Local Plan: Part 1 – Core Strategy. These documents provide further explanation and updated information relating to the submitted Core Strategy to aid its examination. Some are updated versions of earlier topic papers but others are new documents. They also include the Local Aggregate Assessment Interim Update 2015, which was submitted with the Core Strategy in December 2015 but had not previously been published. The documents are:

- Development of the Minerals Spatial Strategy (Topic Paper), April 2016
- Oxfordshire Local Aggregate Assessment: Interim Update 2015, November 2015
- Preliminary Assessment of Minerals Site Options, April 2016
- Non-Aggregate Minerals (Topic Paper), April 2016
- Restoration of Mineral Workings (Topic Paper), April 2016
- Development of the Waste Spatial Strategy (Topic Paper), April 2016
- Supplement to Waste Needs Assessment, April 2016
- Preliminary Assessment of Waste Site Options, April 2016
- Waste Site Safeguarding (Topic Paper), April 2016
- Core Strategy Sustainability Appraisal Report Addendum, April 2016
- Core Strategy Legal Compliance Self-Assessment Checklist, April 2016

These documents have been published on the [Minerals and Waste Core Strategy page](#) of the Council website, where they are available for viewing and download.

We are now carrying out an informal consultation on these documents topic papers to enable interested parties to comment prior to the examination hearings later in the year.
