Dear Mr. Johnson,

Hendred Estate - Statement & Statutory Declaration Under Section 31 (6) of the Highways Act 1980

A statement and statutory declaration was sent to you dated 25th June, 1996. This was signed by the Trustees of the Hendred Settled Estate.

We based the plan attached to the statement and statutory declaration upon the maps then current, showing public rights of way. It has come to light that the County Council had shown on the definitive map in the parish of Milton, a footpath which in fact does not exist. They have therefore agreed to remove the finger post and accept that this footpath is now no longer shown on the definitive map and statement.

I therefore would like you to take this letter as notice that the Trustees did not therefore intend to acknowledge the dedication of this route as a public highway and would ask that the plan attached to the Statutory Declaration and Statement be amended to omit that part of Footpath 19 in the parish of Milton as shown on the enclosed plan.

If you require any further information or further documents signed by the Trustees, please let me know immediately.

Yours sincerely,

M. R. Carlisle FRICS

Duly Authorised Agent for and on behalf of the Trustees of the Hendred Settled Estate
