

STATEMENT

1. This statement is made by the Chairman of TRASLA representing owners and residents of property situate on the Ridgeway and Sandy Lane, Boars Hill, plus those persons and organisations depending on these roads for access to their property.
2. This statement applies to the road known as the Ridgeway of approximate length 976 metres(1074 linear yards) and average width 3.6 metres (4yards) situate at Boars Hill in the Parish of Wootton within the County of Oxfordshire.
3. This statement also applies to the roadway known as Sandy Lane of approximate length 680 metres (737 Linear yards) and average width 3 metres (3.3 yards) situate at Boars Hill an the parish of Wootton within the County of Oxfordshire.
4. Both the roadways referred to are shown coloured red on the accompanying map to a scale of 1:8 500.
5. The roadways known as the Ridgeway and Sandy Lane are Private Roads maintained entirely at the expense of residents of properties bounding these roads and including other persons whose access to their properties depends upon these roads above mentioned.
6. The monies for this purpose and welfare of these roads are managed by TRASLA consisting of a Chairman, Secretary Treasurer and three other members. These officers are subject to election annually at an Annual General Meeting of residents.
7. Access to properties by Residents and by those depending on these roads for access to properties is the right of owners or tenants of these properties and their visitors and by delivery vehicles engaged on legitimate business so long as such means of access is reasonable at all times.
8. No other persons or parties have right of use of these roads; there exists no public right of way over these roads and they have not been declared nor dedicated as Highways.
