Dear Sir,

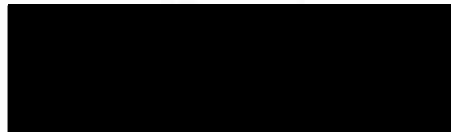

Great Chalk Wood, Goring-on-Thames.

I enclose a map of my wood showing the footpaths and  
bridleways nos 16, 17 & 18.

I agree that these paths are as shown on the definitive map  
are correct but no other paths in the wood are  
considered to have any public rights.

I am making plans to put signs to this effect in the wood.

Yours faithfully,

J.E.Farr
