Dear Sirs

### **HIGHWAYS ACT 1980 - RIGHTS OF WAY**

We refer to the Statutory Declaration of Mr Keith White, the Senior Assistant Bursar of the University of Reading, sworn on 22 February 1996.

It has since been drawn to our attention that two footpaths, namely Footpath 11, Shinfield and Byway 8, Sonning, shown coloured brown on the attached plans, were omitted from the plan attached to the original declaration.

In order that this omission may be corrected we are attaching a copy of this letter and the plans to the Statutory Declaration of Mr Keith White which we now return.

Yours faithfully
