Communication is key to your child's development

Are you worried about your child's speech? Is your child five years or younger?

Great online resources to get help

- Oxford Health's top conversation tips: http://ohftnhs.uk/conversation-tips
- Oxford Health's Children's Integrated
- Therapies: http://ohftnhs.uk/ct-ox
- Health Visitors: www.oxfordhealth.nhs.uk/health-visitors

Still worried or want more advice?

Email SLTadvice@oxfordhealth.nhs.uk with your name, phone number, age of child and your concerns. If you don't have access to email, please phone one of our admin departments:

A speech and language therapist will call you, usually within two weeks, to discuss your concerns

Your health visitor can support you with children aged 0 to 5 years
