**Oxfordshire Minerals and Waste Local Plan: Part 2 Site Allocations Plan  
Draft for Consultation under Regulation 18 of the Town & Country Planning  
(Local Planning) Regulations 2012 (as amended)**

Oxfordshire County Council have published the Draft Minerals and Waste Local Plan: Part 2 Site Allocations Plan (the Sites Plan) for consultation and we would like to make you aware.

The consultation is from **Wednesday 22<sup>nd</sup> January to Wednesday 4<sup>th</sup> March 2020**

The preparation of the Draft Sites Plan follows on from the adoption of the Minerals and Waste Core Strategy in 2017. The Core Strategy set out the vision, objectives, spatial planning strategy and policies for meeting development requirements for the supply of minerals and the management of waste in Oxfordshire over the period to 2031, and the Sites Plan sets out those mineral and waste sites needed to deliver the Core Strategy.

Following previous consultations, site assessments and evidence gathering we have now identified our Preferred Options, those sites we believe can best deliver the policies within the Core Strategy. This draft Sites Plan sets out the preferred mineral extraction and waste management sites that we believe will be needed in Oxfordshire, including where it should be located, up to 2031. We are seeking your views on this Draft Sites Plan.

This is an important opportunity for everyone to tell us their views on planning for minerals and waste development in Oxfordshire. It gives the opportunity to give views on the proposed Sites Plan, including our preferred sites. The responses from this consultation will inform the next stage of the Sites Plan preparation (Submission Draft) that will be subject to a further round of consultation which is expected September 2020.

The consultation Draft Sites Plan, response form and supporting documents will be available from 22<sup>nd</sup> January 2020 for viewing and downloading from the Council's website at:

<https://www2.oxfordshire.gov.uk/cms/content/new-minerals-and-waste-local-plan>

The Draft Sites Plan can also be seen at the Council's County Hall in Oxford and the following locations:

Cherwell District Council Offices	Abingdon Library	Faringdon Library
Oxford City Council Offices	Banbury Library	Grove Library
South and Vale District Offices	Berinsfield Library	Kidlington Library
West Oxfordshire District Offices	Bicester Library	Thame Library

**Please send your response to reach us by 4pm on Wednesday 4<sup>th</sup> March 2020**

### Additional Site Nominations

In addition, we have had a further two sites submitted for possible inclusion within the Plan. We need to consult on these sites and undertake Site Assessments, therefore please see the Additional Nominated Sites 2020 document, now on consultation. These sites are:

- Site 291: Bradfield Grove Farm, Grove, Wantage.
- Site CR25: Shipton on Cherwell SW Extension

The document, which includes a response form, can be viewed at:

<https://www2.oxfordshire.gov.uk/cms/content/new-minerals-and-waste-local-plan>

The consultation on these two sites will also run from **Wednesday 22<sup>nd</sup> January to 4pm Wednesday 4<sup>th</sup> March**. Please send all responses using the details above.

Please note no decisions on these two sites have been taken at this time, nor have any assessments been made. These two sites are not contained within the Draft Plan at this stage. Following this consultation, we will review and consider all the responses received and make any appropriate further changes to the Site Allocations Plan before Submission.

If you have any questions, please do not hesitate to get in contact and we will be happy to help.

Yours faithfully,

Minerals and Waste Policy Team.
