

**LINING OF WATERCOURSE**

**FIXING PIN DETAIL**

**Notes:**

1. All dimensions are in millimetres unless shown otherwise.
2. Bagwork to comply with Clause 519 of the specification except that spiking is not required.
3. Protective matting shall be an unfilled three-dimensional polyamide matting recommended by the manufacturer for use in lining the banks of low-velocity watercourses.
4. Before installing fixing pins, checks should be made for buried services.
5. For further information refer to Standard Details Guidance Note drawing no. HSD/100/001
