Dear Resident

**Re: Quickways Cycle Routes – Marston Road Junction Surfacing
CHANGE OF CLOSURE DATE**

We are writing to inform you that as part of the Quickways schemes, there is a date change for the planned works at the junctions of **Edgeway Road, William Street, Ferry Road** and **John Garne Way**. The surfacing work that was programmed for overnight works on 10 – 13 October, will now be carried out overnight on **1 – 4 November** due to impacts from the recent wet weather.

Each of the junctions listed above will be closed between the hours of 19:30 and 05:30 for one night, as outlined in the table below. Please note that actual works dates may change subject to weather or unforeseen circumstances during construction.

Access via each junction will NOT be possible whilst the work is in progress. You will need to make necessary arrangements to park elsewhere if you need to use your vehicle during this period.

Location	Programme dates	Other information
Marston Road / Edgeway Road Junction	01 November 2022	Night works road closure from 19:30- 05:30. Edgeway Road junction will be closed for the duration of the works, with NO vehicular access/egress except for emergencies. There will be no access to Purcell Road and Hugh Allen Crescent via Edgeway Road junction either.
Marston Road / William Street	01 / 02 November 2022	Night works road closure from 19:30- 05:30. William Street junction will be closed for the duration of the works, with NO vehicular access/egress except for emergencies.
Marston Road / Ferry Road	02 / 03 November 2022	Night works road closure from 19:30- 05:30. Ferry Road junction will be closed for the duration of the works, with NO vehicular access/egress except for emergencies.

Marston Road / John Garne Way	03 / 04 November 2022	Night works road closure from 19:30- 05:30. John Garne Way junction will be closed for the duration of the works, with NO vehicular access/egress except for emergencies.
--	--------------------------	---

Some noise is anticipated; however, we will endeavour to complete the noisiest elements by 23:00. Please accept our apologies for having to move the date of the works and any inconvenience or disruption the works might cause.

Further information on the schemes can be found on our website including detailed plans of the road closures and diversions. Please visit <https://www.oxfordshire.gov.uk/quickways>. These can also be emailed or posted on request.

We will endeavour to keep disruption to a minimum. Thank you for your patience and cooperation. If you have questions or concerns about the scheme, please do not hesitate to contact our project team at Quickways@Oxfordshire.gov.uk or you can call Oxfordshire County Council's Customer Services team on 01865 792 422.

Yours faithfully,

The Active Travel team
Oxfordshire County Council
